

## 6 DISCLAIMERS TO REMAIN OUTSIDE OF THE COURTS JURISDICTION

You MUST state on the record

1. I explicitly reserve all my rights and liberties under Yahweh, my Creator.
2. I do not consent to these proceedings.
3. I do not accept this offer/bill/indictment etc.
4. I do not now or ever intend to accept your offer/past/present or future.
5. I do not RECOGNIZE you, cause are a fiction.
6. I demand that the Prosecutors Commercial Indemnity Bond be placed on the record in the EVIDENCE file!

The evidence file are 2 big words, only **you** can put things into evidence file,,,, your Attorney cannot do this,,,,None of these agencies have substantive regulations published in the Federal Registrar,, Which is NO enforcement authority,, but nobody knows this. The County Coroner is keeper of the Evidence File,, He has more power than the judge.

Yes the Coroner is the keeper of the EF, so in a situation, the Bailiff can retrieve it for Evidence,,,,,,BINGO.

FYI, Title 49 is the Law that allows you to drive, license free, registration free.
